BODY BIKE
SMART
OceanIX+

TOGETHER WE CAN TURN THE TIDE

This bracelet is 100% recycled waste, coming from old fishing nets and other waste material. From each bracelet we donate 25% to Plastic Soup Foundation.

BODY BIKE® in the battle against plastic pollution

In response to the global crisis of plastic pollution in our oceans, BODY BIKE® has announced a world-first: an indoor cycling bike that's built using recycled plastic from commercial fishing nets.

The new bike, OceanIX, is a BODY BIKE® Smart+. It comes in just one distinctive colour: ocean blue.
